Programming the K-10 PDHPE Syllabus Workshops

The *Programming the K-10 PDHPE syllabus workshop* provides **primary & high school teachers** with the steps for developing their new scope and sequences and PDHPE units of work ready for implementation in 2019 (**Years 7 & 9 required, K-6 optional**) and 2020 (**K-10**).

This workshop is coming to a school near you!

Date	Wednesday, 23 October 2019
Venue	Teachers Federation Building, 37 Reservoir St, Surry Hills
Cost	ACHPER MEMBER - $180 NON MEMBER - $250
Register:	https://www.achpernsw.com.au/event/programming-the-k-10-pdhpe-syllabus-sydney-cbd-2/

Why you should attend:

- the workshop sessions are highly interactive
- presenters will step participants through the evidence-based programming process
- participants will develop a draft scope and sequence for a Stage during the day
- participants will create relevant and engaging, evidence-based unit of work with formative assessment activities during the day
- participants will be given guidance about where to go from here
- gain access to Stage based unit templates on a shared platform
- **attendance will contribute 5 hours NESA registered PD**

NSW GOVERNMENT

Testimonials from teachers who attended this workshop last year:

'Thank you. This was a very practical and useful workshop. The best that I have been to yet. Well done! Very helpful in being able to start programming. Brilliant!'

'Very hands on. Presenter was extremely knowledgeable and work from the day is very practical and can be incorporated straight into teaching and learning programs.'
