Entry Form

Consideration of Entry into a Riverina team

Request for special entry consideration to compete. For students unable to compete/participate in the Riverina Trials.
All Consideration of Entry forms (which must accompany an application) are to be submitted to the SCO, or convener, prior to the start of the trials. All necessary paperwork (eg Medical certificates) must also accompany the application.
Applications are only for consideration, not a guarantee of selection

The only reasons that a student may be considered for selection, and not attend the trials, are that they are:

- Representing at a higher level, in the nominated sport
- Representing CHS/PSSA at a higher level in another CHS/PSSA Pathway sport
- Injured before trials and/or receiving medical treatment. Please note – Athletes seeking medical consideration should attend trials unless they are receiving treatment on the day of trial, or it is unsafe for them to attend trials.
- Exceptional Circumstances must be approved by the members of the Riverina Executive and/or SCO.
- These guidelines also exist for Riverina Swimming, Cross Country and Athletics carnivals; however, Consideration of Entry can only be made when an "additional entry" is available in a selected team in that event. No students who trial and qualify at the Riverina carnival are to miss selection by a Consideration of Entry.

First Name Surname

School

1. Event to be considered for

2. Recent performances at a school or CHS/PSSA level *(include dates and results/team selection)*

3.Reasons for request

4.Forms attached (eg Medical certificate)

Principal's Signature: Date:

Sports Organisers Signature: Date:

Comment:

Completed submission must be forwarded to the Riverina School Sports Executive Officer or the Sport Convener prior to the date set down for the Riverina Trials
