Dear Parents/Caregivers

To apply for a trial, please visit the Sydney East Trials page in Dash. Visit the link or scan the QR code in step 3 below to see which Sydney East Trials are open for applications. Parents/caregivers must apply for a trial via an **online permission form** through the **Dash Platform** to consent for a trial.

You will require the following details in order to register your child and pay the trial fee. You will be using our new system, DASH, which is a powerful consent and registration software and allows you to provide information for your children and then safely stores this information for ease of use in the future.

DASH Online Consent form must be completed before the trial date.
