Dear Parents/Caregivers

To apply for a trial, please visit the Sydney West Trials page in Dash. Visit the link or scan the QR code in step 3 below to see which Sydney West Trials are open for applications. Parents/caregivers must apply for a trial via an **online permission form** through the **Dash Platform** to consent for a trial.

You will require the following details in order to register your child. You will be using our new system, DASH, which is a powerful consent and registration software and allows you to provide information for your children and then safely stores this information for ease of use in the future.
