2026 Cross Country Championship

Sydney International Equestrian Centre

Tuesday 21 July 2026

Hosted by NSW Combined High Schools Sports Association and NSW All Schools in conjunction with the NSW Department of Education School Sport Unit.

app.education.nsw.gov.au/sport/NSWCHSSA

Acknowledgement of Country

New South Wales Combined High Schools Sports Association and NSW All Schools would like to begin by acknowledging the Cabrogal Clan, Traditional Custodians of the land on which we gather for these championships, the Darug Nation and pay our respects to their Elders past and present. We extend that respect to Aboriginal and Torres Strait Islander peoples here today.

Welcome message from the NSWCHSSA President

Sport has long been a cornerstone of public education in New South Wales. Through the Combined High Schools Sports Association, generations of students have been given opportunities to participate, compete and excel while developing the skills, values and character that shape confident, capable young people. As President of the CHS Combined High Schools Sports Association in 2026, I am proud to acknowledge this legacy and the important role CHS sport continues to play in our schools and communities.

School sport provides benefits that extend well beyond physical performance. Participation fosters resilience, teamwork, discipline, respect and leadership while supporting student wellbeing, engagement and personal growth. Through training and competition, students learn to set goals, respond to challenges and strive for continual improvement — experiences that complement classroom learning and prepare them for future success.

CHS sport offers pathways for participation and excellence across a wide range of sports, aligning strongly with the NSW Department of Education's High Potential and Gifted Education (HPGE) policy. It provides authentic opportunities for students with high potential in the physical domain to develop their talents while ensuring equitable access for students from diverse backgrounds and communities across the public education system.

The success of CHS sport relies on the dedication of teachers, coaches, managers, officials, convenors and volunteers who give generously of their time and expertise to support students. I also acknowledge the leadership of school principals, whose commitment to sport enables students and staff to participate, and the Executive Officers and Association committees whose planning and coordination ensure competitions continue to operate successfully across the state. My sincere thanks to each of you for your outstanding contribution.

To the student-athletes representing your schools and regions, congratulations on reaching this level of competition. Your achievement reflects talent, perseverance and commitment. Regardless of results, the qualities you demonstrate through effort, respect and sportsmanship define success. I encourage you to compete with pride, embrace every opportunity and value the friendships and experiences that CHS sport provides.

I also thank parents and carers for their ongoing encouragement and support. Your commitment to training, travel and competition makes these opportunities possible, and your partnership with schools is greatly appreciated.

As we look ahead, the Combined High Schools Sports Association remains committed to providing equitable, high-quality sporting opportunities that enhance student learning, wellbeing and development. Working with schools, the NSW Department of Education and our communities, we will continue to ensure CHS sport remains inclusive, well-governed and responsive to the needs of all students.

I wish all competitors every success and trust your involvement in CHS sport will be a rewarding and memorable experience.

Paul Baxter
Principal, Tomaree High School
President, NSW Combined High Schools Sports Association

Welcome message from the NSWCHSSA Cross Country Convener

On this occasion of the combined NSWCHSSA and NSW All Schools Cross Country Championships, it is our pleasure to welcome competitors, team managers, officials, volunteers, families and supporters to this year's event.

These championships bring together some of the finest school-aged distance runners from across New South Wales. Earning the opportunity to compete at this level is a testament to the commitment, perseverance and hard work each athlete has shown throughout the season. Congratulations to every competitor on reaching this stage.

We are once again delighted to host the championships at the Sydney International Equestrian Centre. The venue provides an outstanding setting for cross country competition, with a course that will test endurance, determination and resilience while showcasing the best of our sport.

We sincerely thank the staff at the Sydney International Equestrian Centre, our officials, volunteers, schools and sporting associations whose dedication and support make these championships possible. Their efforts behind the scenes ensure a memorable experience for everyone involved.

As you compete today, we encourage all athletes to embrace the challenge, support one another and demonstrate the highest standards of sportsmanship and respect. Whether you are striving for a podium finish, a personal best or simply the satisfaction of representing your school and association, every performance deserves recognition.

We wish all competitors every success and hope you enjoy a rewarding day of competition and a memorable championship experience.

Best wishes,

Grant Newell

2026 NSW All Schools Cross Country — Results

The results for the NSW All Schools Cross Country will be uploaded in real time on the Multi Sport Australia website. View them online at Multi Sports Australia - NSW All Schools Cross Country 2026 or via the SportSplits app here.

For a full list of results, please scan the QR code below or visit https://app.education.nsw.gov.au/sport/EventHeader/ViewResults?EventId=20146.

4.8 Cross Country - NSWCHSSA Championship

4.8.1 Championship rules

The NSW All Schools Championship will be incorporated into the NSWCHSSA Championship and will include separate medal recognitions.

(a) Entry to be on an association basis only.

Associations may run a maximum of ten (10) runners with eight (8) runners counting towards the final point score.

(b) The championship shall be conducted over the following distances:

Age group	Boys	Girls
12 years	3000m	3000m
13 years	3000m	3000m
14 years	4000m	4000m
15 years	4000m	4000m
16 years	6000m	4000m
17 years	6000m	4000m
18+ years	8000m	6000m
Schools team	6000m	4000m

Competitors must compete in their own age group, with the exception of ISF schools team members. Competitors in the school team event must be 14, 15, 16 or 17 years of age in the year of competition and will compete in the 17 years event. Age is how old a competitor is as at 31 December in the year of competition. No competitor can turn 20 years in the year of competition.

(c) Competitors must have their association number clearly displayed on front and back of team shirt/singlet.

(d) All competitors must wear shoes.

(e) The first three individual placegetters shall receive medals.

(f) The NSW All Schools Secondary male and female teams are selected to compete at the SSA/AA Championship as follows:

(i) 12/13 years up to the fastest seven (7) times from the 12 and 13 years age divisions

(ii) 14/15 years up to the fastest eight (8) times from the 14 and 15 years age divisions

(iii) 16/17 years up to the fastest eight (8) times from the 16 and 17 years age divisions

(iv) 18/19 years up to the fastest six (6) times from the 18+ years age division

(v) Two (2) more athletes may be selected at the discretion of the state selectors to make a team size of sixty (60). Applications for these positions will not be accepted.

(g) Spectators and coaches are not allowed to run alongside a competitor at any time.

(h) All protests must be lodged in writing to the state convener from the team manager within fifteen minutes of the conclusion of the event.

(i) Protest committee to consist of: out of stadia umpire, state convener, plus one other.

(j) Individuals competing in ISF school teams will also be representing their association and consequently counting towards association point scores.

(k) ISF school team runners will wear a different colour number.

(l) An athlete who does not compete at the NSWCHSSA Championship may only be included in the team, if he/ she is competing at a National or International Track and Field/ Cross Country/ Triathlon or Mountain Running as part of a recognised ANSW or AA Team at the time of selection and has given prior notice to the state convener / selection panel requesting consideration. This notification must be made to the state convener, no later than two weeks (14 days) prior to the date of the championship.

(m) Multi-Class Athletes

To be eligible to compete, a Multi-Class athlete must meet the following criteria:

- Each association will be eligible to enter 3 competitors per event, per gender to compete at the state championship.
- All Multi-Class athletes at the secondary level will run in a combined event over a distance of 3 km for all ages. (i.e. 13 Year's – 18+ Years all run – 3km).
- Each Multi-Class athlete must compete in their association uniform.
- Each Multi-Class athlete must have at least a national provisional classification by the governing body to compete at the state championship. The governing bodies, classification categories and how classifications are verified are as follows:

Classification category	Governing body	Classification verification
Intellectual	AUSRAPID Sport Inclusion Australia	AUSRAPID Sport Inclusion Australia Master List
Physical, vision, and transplant	Australian Paralympic Committee	Australia Athletics Master List
Hearing	Deaf Sports Australia	Deaf Sports Australia Letter

- Athletes must be listed on the Master List (AUSRAPID Sport Inclusion Australia or Athletics Australia) for Intellectual, Physical, Vision or Transplant classifications. A letter from Deaf Sports Australia (with code AU2) for the Hearing impaired classification is to be sent to the School Sports Unit at least 14 days prior to the State Championship. Athletes who do not meet these classification requirements will be ineligible to compete at the state Cross Country championship.
- Placings for all Multi-Class events will be determined using the multi-disability formula set by Athletics Australia for 1500m races in relation to the athlete's classification.
- All percentages for all disability classes will be calculated and the highest percentage wins, second highest second etc.
- Each state/territory is entitled to enter three (3) athletes in each age/gender division at the School Sport Australia Championship provided the qualifying standards and classification standards have been met.
    - **Note** – eligible students must choose prior to competing whether they will compete as a Multi-Class athlete or as an abled bodied athlete. If competing as a Multi-Class athlete they must complete the classification documentation.

Classifications Eligible for State Championship

- Intellectually Disabled – ID (T20, T21); or
- Hearing Impaired – HI (T01); or
- Physical Impairment (PI). This will be restricted to:
    - Visually Impaired – T11, T12 and T13. T11 athletes must run with a guide and T12 and T13 athletes can elect to have a sighted guide runner. See Sighted Guide guidelines; or

- Cerebral Palsy – T35, T36, T37 or T38 or;
- Dwarfism – T40 and T41 are both subject to a medical clearance or
- Amputee T42, 43, 44, 45, 46 (NO PROSTHESES) or;
- Amputee T60 (Medical clearance is required prior to competing) or;
- Amputee T62 (Medical clearance is required prior to competing) (WITH PROSTHESES) or;
- Amputee T63 (Medical clearance is required prior to competing) (WITH PROSTHESES) or;
- Amputee T64 (Medical clearance is required prior to competing) (WITH PROSTHESES).

Representative School Sport Pathway: Guiding Principles

The Representative School Sport Pathway: Guiding Principles embodies the values and priorities that underpin the NSW Department of Education's "Our Plan for NSW Public Education" - Transforming lives through learning.

Parents/carers and spectators

Parents, carers and spectators are reminded that school sport is an educational activity —in some instances the students also act as match officials. While winning is enjoyable, what matters most is learning, teamwork and individual wellbeing.

- Model positive behaviour: From the sideline or grandstand, remember this is a school event and your comments and body language as a spectator must always remain positive and appropriate.
- Model positivity towards match officials: Refrain from commenting on match officials' performance and decisions.
- Encourage your child: Focus on learning, effort, personal growth and enjoying experiences, rather than solely on individual performance or winning.
- Communicate positively: Be courteous, constructive, and respectful to coaches, staff, spectators, and students.
- Celebrate appropriately: Acknowledge that effort, improvement and teamwork are equally important as the result.
- Support a healthy environment: Refrain from smoking, vaping and consuming alcohol or other drugs while at school events.

Together, we can create an educational sporting environment where every child learns and thrives, develops respect for others, and enjoys the journey as much as the competition.

Students

Winning is great, but learning, teamwork and wellbeing matter most. Try your best, show respect to others, and enjoy your opportunities to learn and grow through sport.

- Show respect: Treat teammates, opponents, coaches, officials and spectators with fairness and respect.
- Be kind and fair: Celebrate victory with humility and accept defeat with grace.
- Give your best: Always strive to be the best version of yourself by giving your best efforts and playing by the rules.
- Value connections with others: Recognise everyone's contribution, and value all abilities, cultures and backgrounds.
- Be responsible online: Use social media positively and respectfully.

Together, we build belonging, strengthen wellbeing, and demonstrate the values of NSW public education: integrity, excellent, respect, responsibility, cooperation, participation, care, fairness and democracy.

Staff

Foster an educational sporting environment where learning, wellbeing, and teamwork are celebrated, and where students are encouraged to grow through effort and respect rather than results.

- Lead with professionalism: conduct yourself with a commitment to fairness, inclusion and respect by upholding rules and modelling calm, respectful communication with students, families and colleagues.
- Advance equity: Ensure all students uphold the rules and expected behaviours at all times, creating safe, supportive, and meaningful opportunities for everyone to compete and succeed.
- Foster wellbeing and belonging: Build inclusive environments that ensure safety and value diversity of culture, gender, ability and background.
- Prioritise safety and accountability: Adhere to all Department of Education policy requirements.

Together we strengthen student wellbeing and development, deliver outstanding teaching and leadership, and uphold the values that define NSW public education.

For more information and results for all events, please see https://app.education.nsw.gov.au/sport/
