2026 Primary Cross Country Championship

Sydney International Equestrian Centre

Wednesday, 22 July 2026

New South Wales Primary School Sports Association in conjunction with the NSW Department of Education School Sport Unit

app.education.nsw.gov.au/sport/nswpssa

Acknowledgement of Country

New South Wales Primary School Sports Association would like to begin by acknowledging the Cabrogal Clan, the Traditional Custodians of the land on which we gather for this championship, the Darug Nation and pay our respects to their Elders past and present. We extend that respect to Aboriginal and Torres Strait Islander peoples here today

Welcome message from the NSWPSSA President

It is a privilege to welcome you to the 2026 NSW Primary Schools Sports Association Cross Country Championship.

I extend my congratulations to all students who have demonstrated high potential in the sport of cross country and worked with dedication and commitment to earn their place at this championship. Progressing through the representative pathway — from school, to zone, to association — to now represent one of the 14 associations across NSW is a significant and commendable achievement.

These championships are an integral part of the High Potential and Gifted Education opportunities offered through NSW schools. They provide our most talented young athletes with the opportunity to perform at the highest level of primary school sport, while also aligning with the Personal Development, Health and Physical Education curriculum and reinforcing the importance of lifelong participation in healthy, active lifestyles.

We encourage all participants and their families to fully embrace the experience. This is an opportunity to compete with passion, challenge yourself alongside the best in the state, build friendships, explore host cities and towns and enjoy the spirit of teamwork and camaraderie. These championships offer far more than competition; they create lasting memories and lifelong connections.

For those students who earn the honour of the 'blue jersey' and go on to represent NSW, we congratulate you on this outstanding achievement. You will join a proud tradition of representative school sport in NSW that spans 137 years, a legacy built on excellence, sportsmanship and opportunity.

It is also important to acknowledge the many people who support our athletes along their journey. I sincerely thank the teachers, school staff, principals, parents and communities who identify, nurture and champion student talent and who generously give their time to ensure these opportunities exist.

We are deeply grateful for the ongoing support of the NSW Department of Education and the School Sport Unit. A special thank you is also extended to our Executive Officers, administrative staff, sport conveners, championship managers, local associations and volunteer officials. Your commitment and professionalism bring these championships to life.

I wish all competitors the very best and hope you enjoy every moment of the championships.

Ben Thomas
Avoca Beach Public School
President, NSW Primary Schools Sports Association

Welcome message from the NSWPSSA Cross Country Convener

Welcome to the 2026 NSWPSSA Cross Country Championships. It is my pleasure to extend a warm welcome to all competitors, team managers, officials, parents and spectators attending this year's Championships.

I would like to sincerely thank the Sydney International Equestrian Centre (SIEC) for providing an outstanding cross-country venue. We are also proud that NSW School Sport will host the School Sport Australia (SSA) Cross Country Championships at SIEC later this year. We look forward to seeing many of our athletes continue their representative journey and earn the opportunity to compete at the national championships on NSW soil.

A special thank you to the students and staff from Gymea Technology High School for their outstanding support. More than 20 students have volunteered across a range of official roles, including Finish Line Assistants, Media, Checkpoint Assistants, Water Station, Presentation and Selection Guides. Their contribution plays a vital role in the success of these Championships.

Congratulations on earning selection to represent your sporting association. This achievement reflects your commitment, perseverance and the many hours of training that have brought you to this level of competition.

These Championships also provide a wonderful opportunity to meet fellow athletes from across NSW, compete in a positive spirit and create lasting memories.

To all competitors, I wish you every success and hope you enjoy a rewarding and memorable championship experience.

2026 NSWPSSA Cross Country — Results

The results for the NSW Primary Schools Sports Association Cross Country will be uploaded in real time on the Multi Sport Australia website. View them online at Multi Sports Australia - NSW All Schools Cross Country 2026 or via the SportSplits app here.

For a full list of results, please scan the QR code below or visit https://app.education.nsw.gov.au/sport/EventHeader/ViewResults?EventId=20146.

NSWPSSA Cross Country Handbook — State Championship

Section 5.6 – Cross Country State Championship

Amended June 2026

5.6.1 General rules

Refer to General State Championship Rules.

5.6.2 Championship Pathways

Events within the NSWPSSA Cross Country Championships are conducted across two (2) pathways: Open and Multi-class.

For the purposes of these Championships, Open and multi-class are considered the same event. Therefore, athletes cannot compete in open class and multi-class events of the same distance or type.

The open pathway is for athletes who do not meet the minimum impairment criteria for a multi-class sporting classification or choose to compete without adaptations or disability-specific classifications.

The multi-class pathway is for athletes with an autism, deaf and hard of hearing, intellectual, physical, transplant or vision classification, who choose to compete against others with eligible sporting classifications.

For more information on classification see Rule B - 5.6

(a) Open class events

Each Association may enter a maximum of six (6) competitors per open class event as follows:

- Girls 8/9 years – 2000 metres
- Boys 8/9 years – 2000 metres
- Girls 10 years – 2000 metres
- Boys 10 years – 2000 metres
- Girls 11 years – 3000 metres
- Boys 11 years – 3000 metres
- Girls 12/13 years – 3000 metres
- Boys 12/13 years – 3000 metres

The distances run are to remain in accordance with School Sport Australia distances/standards.

(b) Multi-class events

(i) Each Association may enter a maximum of three (3) competitors per multi-class event as follows:

- Girls 8/9 years
- Boys 8/9 years
- Girls 10 years
- Boys 10 years
- Girls 11 years
- Boys 11 years
- Girls 12/13 years
- Boys 12/13 years

All multi-class races are conducted over a 2000 metre course.

The distances run are to remain in accordance with School Sport Australia distances/standards.

(ii) Eligible Classifications

Class	Impairment	Notes
T01	Deaf and hard of hearing	Athletes competing with T01 classification must remove hearing devices prior to the commencement of the race or once final instructions have been given by the starter.
T11 - T13	Vision	T11 must run with a guide runner. T12 & T13 can elect to have a guide runner. See School Sport Australia Cross Country Rules and Guidelines — Orientation Runner Guidelines (Item B - 5.9)
T20	Intellectual	
T21	More significant intellectual impairment	Medical clearance is required prior to competing.
T35 - T38	Physical — Cerebral Palsy	
T40 - T41	Physical — Short Stature	Medical clearance is required prior to competing.
T42 - T46	Physical — Amputee & other	Medical clearance is required prior to competing.
T60	Transplant recipient	Medical clearance is required prior to competing.
T62 - T64	Physical — Amputee (with prostheses)	Medical clearance is required prior to competing.
ii-3	Autism	

Note: Medical clearance documentation to be provided to the convener 14 days prior to the NSWPSSA State Cross Country Championships.

(iii) Each athlete in multi-class events must have a current sporting classification (national, provisional or review status).

The verification of classifications will be done against the Australian Athletics Classification Masterlist and in conjunction with Deaf Sports Australia, Paralympics Australia, Sports Inclusion Australia and Transplant Australia.

Athletes who do not have a classification prior to competition will be ineligible to compete.

(iv) Orientation Runner

- An orientation runner must only be used as a precautionary measure where there is a significant concern regarding an athlete's ability to safely navigate the course. This measure is intended to support athlete safety and ensure compliance with the designated course.
- Associations are required to submit an application using the 'Orientation Runner Submission Form' and provide to the Championship Convener no later than 72 hours prior to the commencement of the NSWPSSA State Cross Country Championship.
- Approval of the orientation runner is at the discretion of the Championship Convener and will be determined based on the information provided in the submission form.

(v) Multi-class Event Structure

Primary multi-class events run over a distance of 2km for all ages (i.e. 8/9, 10, 11, 12/13 yrs). The Championship convener can combine and/or separate Athletes in multi-class events based on the number of entries in age groups and gender.

(vi) Suggested Qualifying Standards

- Suggested qualifying standards are provided to assist associations in determining athlete progression in multi-class events to the NSWPSSA State Cross Country Championship. NSWPSSA State Cross Country Championship suggested qualifying standards are adapted from the School Sport Australia (SSA) qualifying standards.
- 12/13 years age category is provided a 10% addition to the SSA qualifying standards
- 11 years age category is provided a 10% addition to the SSA qualifying standards
- 10 years age category is provided a 10% addition to the SSA qualifying standards
- 8/9 years age category is provided a 20% addition to the SSA qualifying standards for the 10 years age category

(vii) Placings

Placings for primary events will be determined using baseline performance data, comparing the athlete's time to the School Sport Australia Cross Country Baseline for their classification to create a percentage. The highest percentage wins, second highest second etc.

(viii) State Selections

Maximum of 3 competitors per event will be selected provided they meet the School Sport Australia National Cross Country Championships selection/entry criteria.

(c) All competitors must compete in designated association uniform. N.B. The wearing of compression garments should be under such designated uniform. If the association does not have shorts as part of their official uniform and compression garments are worn in place, they must match the colour of their association uniform.

5.6.3 List of events

- Girls 8/9 years – 2000 metres
- Boys 8/9 years – 2000 metres
- Girls 10 years – 2000 metres
- Boys 10 years – 2000 metres
- Girls 11 years – 3000 metres
- Boys 11 years – 3000 metres
- Girls 12/13 years – 3000 metres
- Boys 12/13 years – 3000 metres
- All Athletes in multi-class events – 2000 metres

The distances run are to remain in accordance with School Sport Australia distances/standards.

5.6.4 Judging/recording

If electronic timing is in use:

(a) Results of all races will be determined by electronic timing (providing it is in use at the Championship).

(b) The first eight (8) placegetters will be determined at the conclusion of the race and progress to the selection area.

(c) The first eight (8) placegetters in the 10, 11 and 12 years divisions will be retained by the "two (2) outfitters" to be measured for State team apparel.

Note:

(i) The first six (6) placegetters in open class events qualify as State team members. The seventh and eighth placegetters (7-8) are reserves and measured in case of withdrawals.

The first three (3) placegetters in multi-class events qualify as State team members, provided they meet the School Sport Australia National Cross Country Championships selection/entry criteria

(ii) There is no 8/9 year division at the National level. Children are not permitted to compete out of their age group.

If electronic timing is not in use:

(a) Judges give a place card to each competitor as they finish.

(b) Competitors line up in finishing order and proceed to the recorders.

(c) Recorder one (1) records the place of each competitor (in his/her association column on "the point score sheet"). The best four (4) places for each association are totalled to arrive at the team point score (and hence place) for each age division

Age division point scores are totalled to determine overall point scores and championship placings.

(d) Recorder two (2) records the name and association of the 1st seven (7) placegetters on "the major placings sheet".

(e) Competitors retain their own place card as a record of their finishing position. Team managers will be given participation certificates to hand on to team members.

(f) The first eight (8) placegetters in open class 10, 11, and 12 divisions will be retained by the "two (2) outfitters" to be measured for state team apparel.

Note:

(i) The first six (6) placegetters qualify as state team members. The seventh and eighth placegetters (7 – 8) are reserves and are measured in case of withdrawals.

(ii) There is no 8/9 year division at the interstate level. Children are not permitted to compete out of their age group.

5.6.5 Scoring

If manual recording system is used:

(a) Points are scored against each team for positions finished.

Note: The best (lowest) four (4) places only are counted towards the team point score.

(b) The association with the lowest aggregate in each division will be Champion Association in that Division.

(c) The Association with the lowest aggregate over all divisions will be the Overall Champion Association

(d) Competitors who fail to finish receive last place plus one (1).

If electronic timing is used:

Each association will be eligible to compete for the team event championship.

(a) When electronic timing is used then the four fastest finishing times will be used to gain a combined time for the four fast finishers in each event. The team with the lowest combined time will be awarded 15 points, the second fastest team 14 points, decreasing by one point for each place.

(b) Competitors who fail to finish receive last time plus one (1) minute.

(c) Gold, Silver and Bronze medals will be awarded for the placegetters.

(d) The association with the highest number of points over all events will be declared the Champion Association .

5.6.6 Program

Program and Timetable to be at the Convener's discretion.

5.6.7 Medallions

Medallions are to be given as follows:

Individual Events: 1st, 2nd, 3rd

Team Events, 1st, 2nd, 3rd (to all six (6) team members)

Note: Where a tie occurs in a teams event placing, the team that has all their four (4) runners in first shall be used to decide the placings.

5.6.8 Rules

(a) Footwear must be worn by all competitors. Spiked Footwear is not permitted due to safety reasons related to a pack start.

(b) Any competing athlete who jostles or obstructs another athlete, so as to impede his/her progress, shall be liable to disqualification from the event.

(c) No competitor is to receive assistance or refreshments during the race.

(d) All competitors must compete in association uniforms.

(e) The Championship Manager retains the right to alter the program if need be.

(f) The NSWPSSA retains the right to include additional entries.

(g) Protests must be made in writing by the Team Manager and handed to the Championship Manager within fifteen (15) minutes of the first runner crossing the finishing line of the relevant event.

(h) Asthma medication is permitted to be taken during the course of the competitor's event.

(i) Pacing in races by persons not participating in the same race should be warned by the referee. If there is any repetition, the athlete will be disqualified from the event.

(j) MP3, Ipods and similar technology devices should not be used by any athlete. Also any device able to transmit and receive information should not be worn.

Protests will be heard by the Protest Committee consisting of the PSSA Convener, CHS Convener and the Cross Country Assistant Convener (Primary).

5.6.9 The start

The announcer shall call competitors to the marshals who shall line competitors across a single line.

Starting command shall be:

'On Your Marks' followed by a firing of the starter's gun and for multi-class events only, a White flag is to be raised to signal ‘On Your Marks’, and dropped when the gun is fired.

A second firing shall indicate a recall and for multi-class events only a Red flag is to be waved signalling a recall.

Representative School Sport Pathway: Guiding Principles

The Representative School Sport Pathway: Guiding Principles embodies the values and priorities that underpin the NSW Department of Education's "Our Plan for NSW Public Education" - Transforming lives through learning.

Parents/carers and spectators

Parents, carers and spectators are reminded that school sport is an educational activity —in some instances the students also act as match officials. While winning is enjoyable, what matters most is learning, teamwork and individual wellbeing.

- Model positive behaviour: From the sideline or grandstand, remember this is a school event and your comments and body language as a spectator must always remain positive and appropriate.
- Model positivity towards match officials: Refrain from commenting on match officials' performance and decisions.
- Encourage your child: Focus on learning, effort, personal growth and enjoying experiences, rather than solely on individual performance or winning.
- Communicate positively: Be courteous, constructive, and respectful to coaches, staff, spectators, and students.
- Celebrate appropriately: Acknowledge that effort, improvement and teamwork are equally important as the result.
- Support a healthy environment: Refrain from smoking, vaping and consuming alcohol or other drugs while at school events.

Together, we can create an educational sporting environment where every child learns and thrives, develops respect for others, and enjoys the journey as much as the competition.

Students

Winning is great, but learning, teamwork and wellbeing matter most. Try your best, show respect to others, and enjoy your opportunities to learn and grow through sport.

- Show respect: Treat teammates, opponents, coaches, officials and spectators with fairness and respect.
- Be kind and fair: Celebrate victory with humility and accept defeat with grace.
- Give your best: Always strive to be the best version of yourself by giving your best efforts and playing by the rules.
- Value connections with others: Recognise everyone's contribution, and value all abilities, cultures and backgrounds.
- Be responsible online: Use social media positively and respectfully.

Together, we build belonging, strengthen wellbeing, and demonstrate the values of NSW public education: integrity, excellence, respect, responsibility, cooperation, participation, care, fairness and democracy.

Staff

Foster an educational sporting environment where learning, wellbeing, and teamwork are celebrated, and where students are encouraged to grow through effort and respect rather than results.

- Lead with professionalism: conduct yourself with a commitment to fairness, inclusion and respect by upholding rules and modelling calm, respectful communication with students, families and colleagues.
- Advance equity: Ensure all students uphold the rules and expected behaviours at all times, creating safe, supportive, and meaningful opportunities for everyone to compete and succeed.
- Foster wellbeing and belonging: Build inclusive environments that ensure safety and value diversity of culture, gender, ability and background.
- Prioritise safety and accountability: Adhere to all Department of Education policy requirements.

Together we strengthen student wellbeing and development, deliver outstanding teaching and leadership, and uphold the values that define NSW public education.
